

INTERNATIONAL SERENITY RUN

EST. 1985

The International Serenity Run Committee is a Non-Profit, completely volunteer based committee, that was established for the purpose of furthering the principles, ideals, and traditions of Twelve Step recovery among clean and sober motorcycle riders and their families by providing a place where all clean and sober people and their families could gather annually in friendship, and in the spirit of fellowship, to rebuild their relationships with their families as they share their new lives in recovery.

Any donation, or contribution, that you may offer will greatly aid in this purpose of supporting clean and sober family based events. All donations we receive are used to raise funds for the actual International Serenity Run, held annually here in Colorado. Your business or group will be recognized at our fundraising functions and we anticipate that this will help to increase your business.

Thank you for your support. If we may help you at any time, please feel free to contact our committee by email at internationalserenityrun@yahoo.com or by calling the committee member who contacted you for this donation.

Attached is a receipt for your tax-deductible donation. Please keep a copy for your records.
